The mission of the Corner Health Center is to inspire 12-to 25-year-olds (and their children) to achieve and sustain healthy lives by providing judgement-free, affordable health and wellness care and education.

We offer physical health, behavioral health services, health education and youth development programs designed for teens, young adults and their children.

For more information, visit www.cornerhealth.org or call 734-484-3600 for an appointment.

Fathers for Family Continues August 29.

A program where young fathers can connect with other dads, learn more about parenting and receive the support and resources needed to be the best dads they can be. We celebrate fatherhood!

August is National Breastfeeding Month

For National Breastfeeding Month, be sure to make an appointment with our **Maternal Infant Health Program (MIHP)**! Our MIHP team provides **lactation education & support** during pregnancy and throughout the family's breastfeeding journey. Our aim is to help families reach their feeding goals!
