FATHERS FOR FAMILY

A program where young fathers can connect with other dads, learn more about parenting and receive the support and resources needed to be the best dads they can be. We celebrate fatherhood!

For more information regarding these programs, please email outreach@cornerhealth.org or subscribe to our calendar here
December is World AIDS/HIV Awareness Month. The Corner Health Center offers HIV/STI testing to its patients, please call 734-484-3600 to schedule your appointment!

According to the American Academy of Pediatrics, getting the flu vaccination can reduce the number of office visits, severity of illnesses, and missed school and work. Since flu activity is usually the highest between December and February, it is important to get your flu vaccine sooner than later.

For more information regarding these programs, please email outreach@cornerhealth.org or subscribe to our calendar here.
In partnership with Kiwanis International Club of Ann Arbor, The Corner Health Center has been awarded funding for an Eye Movement Desensitization and Reprocessing (EMDR) project that will help our patients who experience trauma. LEARN MORE!

The Corner's E3 Program Named “One of the Best in Michigan” by MDHHS!
