Dear Friend,

Just like the young people we serve, over time we change. This new annual report format is evidence of that. Attention spans are shorter nowadays, so it's our hope that this report style will get you key information "at a glance" about all that we achieved in 2023. The Corner is a thriving place where young people belong. I hope the facts you see here whet your appetite. We thank you for your support in keeping our mission alive!

HAPPY NATIONAL NURSES WEEK!

During National Nurses Week, we honor the heartbeat of healthcare - our nurses. They're not just caregivers; they're keepers of empathy, champions of comfort, and beacons of hope. They embody our mission, reminding us all that good health is a right, not a privilege. Here's to the ones who care with kindness, listen without judgment, and uplift with compassion. Thank you, nurses, for making our mission of health and wellness a reality for generations to come.
