

# HOW TO ORGANIZE A DONATION DRIVE FOR THE CORNER STORE

1

Find out what we need. Wishlists are available through:

- Our Amazon Wishlist Registry [here](#)
- Our Corner Store Wishlist [here](#)
- Contacting Jasmyn @ 734-714-2236 or [jtooles@cornerhealth.org](mailto:jtooles@cornerhealth.org) to inquire what our most current needs are at this time
- Or we can create a customized Amazon registry for this specific donation drive.

2

Advertise and start collecting/purchasing items. You could:

- Have people drop off items at a set location (box, table, home, church, office, etc.). Be sure to advertise which items are being requested. Feel free to use the back of this handout for information-sharing purposes.
- Or have people buy items online from our registry and have them shipped to 47 N Huron, Ypsilanti 48187 or we can create a customized registry.
- Or you can organize a shopping spree.

3

Bring collected items here (if you're not getting them delivered by Amazon):

- If you need help carrying things in, contact Jasmyn (info below) to schedule a time to drop off items
- If you don't need help carrying things in, feel free to drop items off with the front desk staff anytime Mon, Tues, Thurs, & Fri 9am - 4:30pm
